

We are writing as the Worship and Ministry Committee of Reading Monthly Meeting of the Religious Society of Friends. Many F/friends at our Meeting are saddened by the possibility that Friends Journal may be laid down. Often we use articles from the Journal as the basis for discussions or forums. Many members read it faithfully and thoroughly, appreciating learning from the experiences of other Meetings.

That said we can offer little more than our prayers and encouragement for its continuance. We do not have the financial resources to become a sustaining meeting nor are any members able to become a sustaining subscriber. Individuals and the Meeting may send modest donations hoping that it will make a difference.

We trust that as you seek to follow the leadings of the Light it will lead to a resolution allowing continued nurturing of the Life of the Spirit.
